DOCKET NO. 1999-294-C - ORDER NO. 2006-666

NOVEMBER 14, 2006

IN RE: Application of Ozark Telecom, Inc. for)	ORDER CANCELLING
Authority to Operate as a Reseller of)	CERTIFICATE
Interexchange Telecommunications Services)	
within the State of South Carolina.)	

This matter comes before the Public Service Commission of South Carolina (Commission) on the request of Ozark Telecom, Inc. (Ozark or the Company) to cancel the Company's Certificate of Public Convenience and Necessity (Certificate) to provide resold interexchange telecommunications services in South Carolina. A review of the Commission's records reveals that the Commission granted Ozark authority to operate as a reseller of interexchange telecommunications services in the State of South Carolina by Order No. 2000-032, dated January 10, 2000.

Ozark, by letter filed October 13, 2006, seeks cancellation of the Company's Certification. According to Ozark, the Company was sold approximately four years ago and is no longer in operation. Ozark adds that the Company did not receive any revenues from its operations.

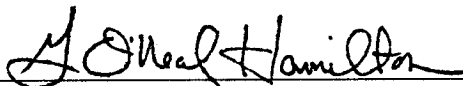

As Ozark is no longer providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that Ozark's Certificate of Public Convenience and Necessity to provide telecommunications services should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services in the state of South Carolina authorized by Order No. 2000-032, dated January 10, 2000, issued to Ozark Telecom, Inc. is hereby cancelled.

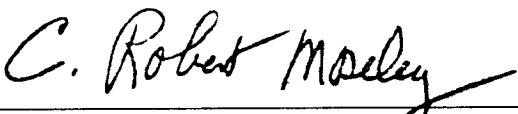

2. Ozark Telecom, Inc. remains responsible for any Commission assessments payable during any year that the Company has operated in South Carolina.

3. This Order shall remain in full force and effect until further Order of the Commission.
